“ My sincere condolences to the entire family on the loss of your wonderful Father. I am sure the wonderful care, love, concern, company, and joy you have brought your Dad over a life time, but especially these last few difficult years, meant the world to him. He was such a good and kind man, with strength, determination, and will power to an incredible degree. Rest in the assurance that he is now resting peacefully with your beloved Mother, Gilda, and with other family members and friends. He will be in your heart, soul, and memories for your life times, and you will be with him and your Mother once again someday. Love to you all. Barb
