“ Dear Weidman family, When I think of John it brings back the fondest memories of the Mt. Joy Church of God and someone that represented the true spirit of Christianity. He always greeted me and my siblings with a smile, a firm handshake and a sincere interest in our school and sports activities. As an adult when I occasionally visited the church John would be the first to greet me, ask about my kids, and be sincerely interested in my family and how life was going. Absolutely one of the finest, kindest, sincerest, and loving individuals I have ever had the privilege of knowing. God bless you Barb and family.

“ My Uncle John Weidman was simply a great man and a blessing to anyone who knew him. While growing up with my cousins John and Mark (and later Susan), he always had a kind greeting and remembered to ask me about little things like my sports teams and my latest girlfriend with genuine interest. He knew so many people and had so many stories to tell, and most importantly really cared about all his relatives, friends and business associates. He will be dearly missed but is now at peace in his place of eternal rest. God bless Uncle John!

“ John Weidman family, I will always remember John, it was a privilege to have known him. He had great charisma, and could remember the farmers generationally. He was a dignified man in my book and a role model for me. I met Mr. Weidman at Pioneer when I worked in research and would always look forward to hearing his stories.

“ John was a terrific mentor when I joined Pioneer Hi-Bred in 1973. He gave great guidance to me and many young employees. He had a way with people like very few people do. What a great leader John was.

“ I am sorry to hear about the passing of a great man. He was my oldest brother's wife's brother-in-law. He would always ask me how my family was, and when I was teaching/coaching at Garden Spot, he would ask how the kids at school were doing. I played golf and cards with him on occasion. He is not suffering anymore and will be a great addition to heaven.

“ Dear Barb and Family, I am thinking about John's passing and the loss you will feel in the years to come. We understand. But, John is remembered with a joyful heart. My mother Mary always enjoyed telling me about the joy of attending the East Donegal High School alumni lunches, reunions and Ladies' Night at the Lions Club with you and John. How kind you were to her. And, I thought, that is really cool... so now my class is doing the same thing, getting together annually. I will keep you in my prayers.
