“ I am Don Zerphey a cousin of Marcelline. My father was Peter a brother to John. There were five Zerphey brothers and none of them owned or drove a car. They all worked in Mount Joy and had no need to drive. I am six years younger than Marcelline which was a big age difference for small kids, so we did not spend much time together. I always liked Uncle John, who we called Bandy. I loved go fishing with Bandy and my dad. I now live in Mount Joy near the library and every time I go by Marcelline's homestead I think of the good times I had there. I am sorry for your loss and reading her obituary reminded me of life in the 1940's.as a kid. Don
