

Molly E. Hess

December 18, 1993 - August 6, 2018

Molly Elizabeth Hess, 24, of Manheim, PA, peacefully took her last breath on this earth early Monday morning, August 6, 2018 after an extended bout of pneumonia ...and she was ready. She is blessed with a new life and body.

She graduated from Conestoga Valley IU13 and was a part of LifeGate church, Elizabethtown, Pa.

Molly, a beloved daughter, was born December 18, 1993 to Don & Kathy Hess. She will be lovingly missed by brothers, Joseph (Angela) Hess, Lancaster, Matthew (Carissa) Hess, Camp Hill, and sisters, Kalah (Matt) Weaver, Lancaster, and Emily (Seth) Lamb, Elizabethtown, and her three nephews, Jacob and Landon Weaver and Lucas Lamb. In addition she is survived by her grandparents, Joe & Lois Hess, Mt. Joy, and Harold & Alma Shultz, Manheim. She will also be missed by many aunts, uncles, and cousins.

Molly affected the lives of many with her smile and gentle spirit. At age 13, she was introduced to the music of Nicole C. Mullen, "Redeemer". This led to an 18th birthday concert with Nicole in Dec. 2011, and in Sept. 2016 Molly travelled with nurses, family, and friends to be on stage for a night of worship with Nicole in New Delhi, India. The Hess & Kawase relatives were in the midst of planning a music & ministry tour in Japan with Molly & Nicole in 2020.

A very, very special thanks to her caregivers, medical staff, support services, teachers, friends, and church family. You brought great value to one who never spoke a word.

A private graveside service will precede a public Molly Hess Memorial service this Sunday at 2 pm at the Worship Center, 2384 New Holland Pike, Lancaster, PA. All are welcome to attend.

In lieu of flowers, donations earmarked Japan 2020 can be sent to LifeGate church c/o Ruth Martin 595 Old Hershey Rd. Elizabethtown, PA 17022.

“ Linda Hess Heisey Just want your family to know I was deeply moved when I learned of Molly's homegoing. As a parent of a daughter with disabilities also I know how your hearts are aching now and will be for a very long time. With all the care and love you gave her each day, you will have a big void but God can and will fill that with his great love and healing grace! My prayers are with you all for God's peace and comfort!

“ Dear Don and Kathy, Your family has always had a very special place in our hearts ever since we moved here from Sweden Dec 1993. We have unfortunately lost touch over the years due to life and schedules... but we still talk about how you reached out to us and the children amid your hurt. Your family is such an example of how to live and love. Molly lived an extraordinary life and touched so many. Oh, how blessed she is now! May you be comforted by that and be able to focus on all the good memories you created with her. Our thoughts and prayers are with you.

“ Dear, dear Don & Cathy and family... Our heartfelt condolences to you all, while we are still able to be comforted by the fact that we know Molly is totally free at last and safe in the arms of Jesus! We are so very sorry that we may not be able to attend - as much as we wanted to... I have a ministry engagement near NYC this Sunday morning, and by the time we get back, it might be all over :(Our love and blessings to this precious Hess family! Andrew & Anne, Luke Taylor

“ I never met Molly but heard of the many events planned to honor her in her life. This has made an lasting impression on me and I'm sure of many others. I'm sure she will be hugely missed and praying for much grace and comfort as you live this life without this precious soul. I can almost hear her singing in Heaven. Love and blessing to all.

“ It is with a heavy heart that we send our love for the loss of your sweet child and for the sadness you will feel without her presents with you. But with joyful hearts for Molly. To have scene her face when she saw the face of her loving Lord. To imaging what she is doing right now. What games she is playing, how fast she is running, and how much she is talking. She's probably singing Nicole's songs to the King himself and what joy it must be for the Lord to hear her sing and to experience such freedom. Blessings and peace for you now our friends.Doug and Cheryl Bowman

“ Dear Don, Kathy and families, May you be comforted from on High by the Very Presence of Yahshua Almighty, Who has truly born our griefs and carried our sorrows, as Molly's Spirit has entered into Paradise with Him: He, Who "told the sun where to stand in the morning and Who told the ocean: 'You can only go this far,' and told the moon where to hide 'til evening, and Whose Word can catch the falling star; He Who spins things in orbit, and Who runs to the weary, the worn and the weak, and HOLDS YOU WHEN YOU'RE BROKEN with His gentle hands, and Who conquered death to bring us Victory." Love and prayers for your Faithful Endurance for yet a little while.

“ Dear Don, Kathy and family. We deeply feel the loss of your daughter Molly. You were planing a trip to Japan as family, but the Lord took her on a trip with Jesus into heaven. How blessed she is. How hard for you to say goodbye. May the Lord give you peace and strenght. Greetings, Anton and Lolita Harder

“ Dear Don and Kathy, My heart both aches and rejoices with you at the news of Molly's "graduation". What an extraordinary child God blessed you with...and what extraordinary parents He chose to give her for her time here on earth. You listened to the gentle promptings of the Holy Spirit each time God directed you in making decisions...each time He said to do something others may have deemed as unnecessary. What a wondrous day it will be as you hear her sweet voice praising God and (I believe) thanking you for being such Godly, loving parents...and for raising her not only surrounded by deep, human love, but enveloped in Christ's eternal love as well. May God's peace, blessings and love encompass you and your entire family as He creatively finds precious ways to remind you all of your dear Molly in the days and years to come.
