“ I remember Bob from EASD. He was a great guy. We had many good talks. I was glad I had the chance to get to know him.

“ We were neighbors on Mill Street for the first 13 years of my life. Lots of back yard talks and good times. He always had a smile and something funny to say. A really great man, he will be missed. Prayers to all of you!

“ I am so sorry for your loss. I met Bob back in the 90s when we worked for the etown school district. There were so many Bob's at that time who worked there so I had a nickname for each. Bob I called Dutchy Bob because of his accent. I loved Bob. He was such a nice person. He was always happy. Again so sorry. My prayers go out to you all.

“ Uncle Bob was the best kind of uncle to have. He had a big heart and could make even the grumpiest person laugh until their sides hurt (I know, I used to be one of those grumpy people). He always lit up a room when he walked in and you couldn't help but smile. I know everyone that knew him will miss him and my deepest condolences go to every single one of those people, especially his family.

The one thing we all have in common, though, even those who only knew him for a short period of time, is that each of us has at least one (or many) wonderful, uplifting memories with Uncle Bob. I hope it is these special memories guiding us all through this difficult time as I'm sure they are bound to put smiles back on our faces; Uncle Bob's magical way of wiping away our tears of sorrow.

All my love,  
Sheri
