“ I hunted with Velma's husband Paul Andrew's for about 50 some years and visited with them in Fla. Very lovely Christian lady and am sure she is in heaven with Paul. Every deer season she would bake wonderful sugar cookies, the size of a small pizza and sooooooooooooooooooooo good. Rest in peace loyal and faithful servant.

“ We loved our time with Velma. She was the very first person to welcome us when we moved into the Masonic Village. Velma was gracious, kind and elegant and always added great energy to a conversation. We will miss her smiles and warm greetings. Velma was able to make a person feel better just by spending a few minutes talking to her. She was a grand lady!

“ I am very blessed to have had the last two years of friendship with Velma. She was a very kind lady. I remember when she had me pick her up Olay face cream. We had many good conversations together and she was ready to be with the Lord and all her loved ones in heaven. I will miss seeing her every day. My thoughts and prayers to all the family!

“ I forgot to share the first time we met Velma. We were with Richelle her grand daughter. Velma offered us tea and sandwiches and her delicious cookies. What a true hostess she was. Bless her

“ *I was privileged to be one of her nephews. Our mother was a sister to John Henry. I have so many, many great memories of Aunt Velma's influence in my life. She was the last one of my uncles and aunts. I thank God for her influence and prayers in my life.*
