“ So very sorry to hear of the passing of your mother. I always enjoyed waiting on both your parents at the bank (probably) your dad more often. They both had such pleasant dispositions. My sympathy.

“ Ada Mae (and Fran) were always a special part of the congregation at Word of Life Chapel where I grew up. She always had a warm smile and joyful disposition. She and Fran were good friends of my parents and when I got married and became a missionary with my husband in the Philippines, she and Fran were part of our ministry through financially and in prayer. I look forward to seeing her again in Heaven one day.
