

Andrew D. Raudabaugh

January 17, 1965 - June 4, 2020

Andrew D. Raudabaugh, Sgt. First Cl., US Army, a great soldier and patriot lost his battle with cancer on June 4, 2020. He was 55 years old. Born in Langley, VA, he was the son of David W. Raudabaugh of Mount Joy and the late Madalyn (Pavlic) Raudabaugh. He was the husband of Maria (Rosado) Raudabaugh. Also surviving are three children, Kristofor Raudabaugh of Columbia, Tyler Raudabaugh, husband of Renee and Nathan Raudabaugh both of Marietta; his beloved grandson, Eli; his granddaughter, Alexis Wilson; and a sister, Natalie Winegarden, wife of Eugene of Mount Joy.

Andy, or respectfully known as "SFC RB" to his military buddies, always wanted to be a soldier. As a youngster, he organized a neighborhood militia between W. Donegal Street and Marietta Ave. in Mount Joy. If you lived on that block in the 1970's you were well protected! He proudly enlisted on his 18th birthday and spent the next 30 years serving his country. He earned his first Combat Badge on his 26th birthday, (January 17th, 1991) while on patrol during Operation Desert Storm. After completing the end of his 3rd enlistment, Andy joined the PA National Guard. In 2010, while serving in The Guard, he was deployed to Afghanistan where he participated in combat during Operation Enduring Freedom. During his distinguished military career, he was awarded four Bronze Service Stars and numerous other medals of service. A humanitarian soldier, Andy was also deployed for various natural disasters, including Hurricane Katrina.

His hobbies include guns and arguing with Democrats.

A memorial service honoring Andy's life will be announced at a later date. He will be laid to rest at Indiantown Gap National Cemetery. In lieu of flowers, memorial contributions may be made to the Lebanon VA Hospital Patient Fund, 1700 S Lincoln Ave, Lebanon, PA 17042.

“ *I first met Andy in January 2001 when I was transferred to 1-111 INF as the Mortar Platoon Sergeant. Andy was then a Staff Sergeant, serving as one of the two Section Sergeants. I relied him heavily, especially as to safety on the gun line during our mortar live fire exercises. Andy was the easy going workhorse of the Mortar Platoon, HHC, 1-111th Infantry, and the Company at large. He was omnipresent, volunteering for any special duty. When he wasn't called to duty on a mission, Andy was likely to be the first recognizable face we would see upon our return, driving the bus picking us up from the flight line and shuttling us around through demobilization. Andy was an ever loyal friend and mentor to all and will be sorely missed by those who knew and loved him.*

“ To the Raudabaugh Family: Please accept my sincere condolences on the passing of Andrew. Although he was a second cousin, I do not believe we ever met. I salute Andrew for his service and many deployments with the US Army. Myself, having spent 26 years in the US Army and two tours in Vietnam, I really commend and appreciate his receiving 4 Bronze Stars and other decorations. I know they were earned with honor and dignity. Rest in peace my brother and my cousin
