

Anita A. Mohler

January 28, 1957 - June 21, 2020

On June 21, 2020, Anita A. Mohler flew with angels to heaven where she was welcomed by a crowd of children God had waiting for her. She joined her parents, husband, and other family and friends. Anita's three children, Andrew Mohler, Chrissy King, and Carla Kauffman, and two grandchildren, Sebastian and Isla King, will miss her, but can take comfort knowing she can now breathe deep and entertain heaven's children with no obstructions. Anita loved creating crafts and was constantly doing things for others. She has left us way too soon. Also surviving are four brothers, Butch, Joel, Scott, and Troy Knable, and a half-sister, Penny Hoffman.

â€ˆServices will be private. In lieu of flowers, please do an act of kindness in Anita's honor.

“ Anita and I met at Hamilton tech. I went to her wedding when she married the love of her life. She encouraged my boyfriend to do the same but we didn't work out but we had a son. She of course wanted to watch him cuz she loves children so much. I will always remember memories that we shared even though some of them come from seeing her at dr appts. It is almost impossible to find someone as funny and generous as Anita that is why I can say how much I will miss you. You are always in my heart. Love you always

“ Some people have kindness in their minds, others have kindness in their hearts. Some people think about being kind, others talk about being kind. Anita was a kind and gentle soul.

“ If you ever received anything as a gift from Anita and you thought it was not much, Take a closer look and think about it. Anita crafted things and spent untold hours to custom make things that were specifically made to suit the person she was giving it to. She spent a lot of time just doing things to make others smile. Will miss her!! One of a kind!! RIP
