“ I worked many years with Anita at Engle Printing Company. She was a very kind/caring person, always asked about my boys. I would bring my boys in and Anita would give them candy, which was always PEZ candy. They boys would refer to her as the PEZ lady. My thoughts and prayers are with Terry, her son & family.

Anita was such a sweet person and loved her family so very much! I worked with her at Giant and she was always ready to help when needed. I will miss our talks about our kids. She frequently asked me about my 3 grandsons and knew them by name. I believe she really loved kids.

Now she is another twinkling star in the sky, farewell my friend.
