“ I was part of the reason that Anthony got into hauling Mobile homes. I trained Paul his mentor. Anthony was hooked on the challenge that the job entailed. I will miss his smile and wit. My condolences to the family.

“ To me Anthony will always be my teenage friend who rocked the worlds coolest mullet and leather jacket. He was literally too cool for school. He had a great sense of humor and laugh to go along. His life wasn't always the easiest but when he found Nancy I saw him the happiest he'd ever been. I hope he reunites with those he lost and missed, including my Dad who was a good friend. Fly high, Anthony. You will be missed my friend. My heart is broken.
