

Asher F. Neiss II

July 6, 1961 - September 11, 2025

Asher F. Neiss II of Mount Joy died unexpectedly of natural causes at the age of 64 on Thursday, September 11, 2025. Born on July 6, 1961, he was the son of the late Asher F. Neiss and the late T. Daisy Brooks Neiss. He was a lifetime resident of Mount Joy, PA. He is survived by his sister Jennifer Kelly, wife of Don, and an uncle and many special cousins, including our West Donegal Street “sister” Sheri Smith. Asher was a 1979 graduate of Donegal High School. He enjoyed working for several years at Wilton Armetale in different capacities. He really loved being the Receiver at Darrenkamp’s Market of Mount Joy and then transitioned to Giant Foods, when Darrenkamp’s closed, becoming their best bread man ever. He loved sports, enjoyed sports’ statistics and played APBA with friends. He and his Dad assembled an awesome beer can collection. He loved the mountains. He was a great tennis player, especially at DHS, and an even better golfer.

He was a brother, a cousin, a son, a nephew, a friend and just a generally good guy. He will be missed.

He will be cremated and privately interred with his parents in Mount Joy Cemetery.

The family will greet friends at the Highlands of Donegal Pub, 650 Pinkerton Road, Mount Joy, PA 17552 on Sunday, November 9, 2025 from 2 PM to 5 PM.

Donations in his memory can be made to The Donegal Foundation: PO Box

“ Asher sorry to see you inherited the Wivell baldness gene--just like me, Uncle Harry! Sorry I missed "bumping" into you at Giant on the first Mondays of each month that I came to Florin to attend my 1962 Donegal "reunions"...I came to Giant searching for YOU and hoping to find and buy a shoofly pie to take back to Maryland and share with Matsuko. When I asked the young woman at Giant customer service where I might find you, she said over in the Breads...but I never seemed to be there at the right time to find you!
Well, I hope you are in heaven with both your Mom and Dad!!
Playing golf with your Dad??
Sorry we had so few contacts and getting togethers!!

I'm so sad to learn about Asher. One of a few cherished childhood friends, I spent many happy hours playing everything from basketball to kick the can on the back street. I will sincerely miss catching up with Asher in the aisles of Giant. Always with a smile, upbeat energy and see ya later. My heart will always cherish him. Sending love and light to Jennifer, Sheri O., Jackie and all the family.❤️

“ Unfortunately, I never spent a lot of time with Asher after high school as is true with many of my fellow graduates, but I always looked forward to our conversations every time I went grocery shopping at giant. May God bless him and his family and may he rest in peace.
