“ I first got to know Audrey in 1988 when I served at St George's , MInden Road , Singapore. We went on walks to Botanical Gardens and shopping trips to Holland Village. Her cheesedogs were delicious . On her way back to the US when she retired, she visited me in the UK . When she settled into her little cottage in Lancaster - now Calvary Homes , she hosted my mother and myself several times and when she moved into the main building she continued to entertain us. Audrey loved her Lord and served Him to the very end. She was very happy and felt very blessed for the care she received. I would ring her on special days and we would have a good laugh and catch up on news. I was hoping to visit her for her 90th but that was not meant to be. Audrey will always be remembered for her no nonsense view of life. Thank you Lord for Audrey's life !!

“ Audrabelle was a very special friend to my Mother when she was in Calvary's Healthcare Center. She would visit her daily, sing to her and read scripture. I thank God for sending Audrabelle to help encourage and bring joy to my Mother during the last 4 years of her life. I have been wondering if they have re-united their friendship in Heaven. I'm rejoicing with Audrabelle that her mission on earth is complete and she is with her Lord that she served so many years.
