“ *Barbara was one of my bestest friends in the world. She was not only a best friend, but she was family, she was like a sister to me. We did everything together, I took her to every Thanksgiving and Christmas dinners and made her my family. Barbara was very kind, not many people got to see all the true colors in her for if they did they would of saw a Ray's of brightness in her. She was good hearted and would do anything for anyone. She was very good at her craft things she like to to and she also had a love for animals. She couldn't and never had children so her pets became her kids. Barbara thought highly of her church family at her my joy church she attended. She will be for ever missed for she had put a special part of her in everyone of our hearts. There will always be many memories to laugh about, sad things, Happy things. One thing we will all remember her by is she was a very strong, determined, loving women. Miss you always my friend, my sister. love you. Till we meet again. Carmen.*
