“ Many fond memories of seeing and talking to Barb at Turkey Hill..always had pleasant conversation with her..and sometimes a hug especially when we were snowbirds in FL during the winter months and we weren't seeing her as often. We missed seeing her when she retired but we would see her walking. She will be missed. Please accept our condolences.

“ I remember Barb and the Bechtold bunch when they lived outside of Millersville. Many great memories in the 50’s and 60’s. My sister Janet was a good friend with her growing up. She later connected with her. Prayers for comfort during your loss.
