“ Last year my Sister Barb said to me she was the first born and it was so nice to be born on our Father’s Birthday but she really didn’t know how much it meant to her until he was gone. Now she is sharing her Birthday once again with her Father, Daughter, Brother’s and all who went on before her. Barb you will be forever missed and forever loved! 😊❤️👍

“ I shared many loving memories with my oldest Sister but over the years there are three special memories that come to mind as I think about her daily. Barb always taught me what it meant to smile, Barb always showed me how to love unconditionally and always said to everyone “It is well with my soul”! Thank you Sister for your wisdom and until we meet again know how much I love you and how much I will miss you!

“ I shared many loving memories with Barb and Kim living with us when I was young and still lived at home. Barb was a very warm person and treated all with kindness. She'll be missed.
