“ To Fawn , Gilbert , Colette & Your entire Families. I Wish to express my sincere condolences and Sympathy to the passing of Your Mother. I have been reflecting on the Lifetime of Wonderful Memories of Both of Your Parent's. Our Families spent so much time together growing up that I feel like we are siblings. Our Parent's enjoyed an enduring friendship and Barrie & Gil were so giving of their time to " Us". Your Mother was always baking pies & came the closest to My Late Aunt Ruth's Molasses Cookies Recipe. Maybe I am biased a little bit or even a bit selfish when I say " I may have been one of her favorites over the years ? " but understandably fell in the rankings once "Grandchildren arrived. " : O) I Feel so Blessed to have shared ALL those good times together , especially those childhood years as we grew up together. These Memories of Barrie along with Gil are "Priceless" to me.

With Love to All of You !

“ Dear Mommy, In the beginning it was you and I. In the end, you and I. In between, we fought hard, loved hard...then God provided a time for words shared, and forgiveness on both sides. You gave me Life. You are my greatest teacher. In the end, so beautiful. You quietly slipped away. Such a gift to witness. I love you more than words can express. Give Dad a kiss for me. Love, Fawn.
