“ Carol and family:
Sorry to hear the passing of Barry. Like many others, I worked with Barry at REWAI. He was frequent lunchtime buddy. We also shared the same birthday and made a point to see who would contact the other first with birthday wishes each year. Rest in peace my dear friend.

“ Cool and family,

I too am saddened to hear of Barry's passing. I worked with Barry at R. E. Wright and was also on that square dance trip to Dry Run that Heidi Brown mentioned. I often traveled overnight with Barry on our remedial system design projects. He was wonderful company and always a joy to work with.

Please accept my prayers and condolences for your loss.

“ Carol & family

I had the pleasure to work with Barry during my time at R.E. Wright Assoc. He was such a gracious & kind man. I am saddened to hear of his passing.

Along with you and Barry, my husband and I were part of the group that traveled to Vince Gettel's dance barn in the Dry Run, PA, area. We all thoroughly enjoyed it! It's so nice to see that you and Barry remained involved in square dancing over the years.

We will continue to lift you and your family in our thoughts and prayers.
