“ I am so very sorry to hear of Aunt Bernadine's passing. My father (Richard) always held a special place in his heart for her as the "baby" of the family. I too had a long and unwavering affection for her and her light hearted approach to life. Though 3000 miles have separated us, she was and is never very far from my thoughts. My deepest and sincere condolences to her children and the rest of the family. She is sorely missed.
