“ *My deepest Sympathy to the Family. What a sweet lady Heaven got a wonderful person when Betty was called home. I remember how she always joked and teased my hubby when we would see her. I pray God will comfort you now and in the days and months ahead. Hold onto all the wonderful memories. Cindy Walters*

“ *Betty was like my second mother. My mother spent alot of time with Betty. They would sit on the front porch especially when the E-town fair was watching people. I lived near by and would sit often with them. And Betty's laugh...I hear that in her girls. Many more stories....she will be missed 🥹❤️*
