“ I'm saddened by Aunt Betty's passing. Over the years, when she and Uncle Ivan visited Mom and Dad and I was lucky enough to be there at the time, I always felt so comfortable around her and him, too. She was supportive by nature. I also enjoyed our pleasant phone conversations, although they were fewer than I like. I will miss her.

“ I will always have a special place in my heart for Aunt Betty. I enjoyed her sense of humor and her infectious laughter. I recall sitting with her and Ivan for hours sharing stories and opinions, wanting time to stop for a moment. I will miss her and keep her memories with me.
