“ *Barbara and Family, So sad to learn of Bobby's passing, our condolences to you and your family. I'm glad I had the chance to stop by and talk with him a week or so before his passing. My wife and I enjoyed the conversations with you and Bobby during our neighborhood walks. My wife enjoyed Bobby's stories about Paul Wiedel and his dealings with LGH. Bobby and my father were fishing buddies and dad loved their trips to Canada with the wrestling crew. When I served as coordinator for the Donegal Elementary Wrestling Bobby was always very generous with donating to the program. It was certainly a privilege to know Bobby through the years, he was a good man and I'll miss our talks.* Rick & Phyllis Emenheiser

“ I always enjoying seeing Bobby when he would come in for lab work. Having patients like him make my days special. I enjoyed such pleasant conversations and we built a friendship over the years. When my son was looking at colleges in the South, Bobby shared maps and stories of his experiences in Hilton Head and Beaufort. He was always so kind and sharing. What a blessing you all had to have him as family. My heartfelt condolences.
