“ Bonnie Lee, Sarah Louise and their parents lived two doors down from us on East Ross Street. I remember the day they moved in and we all became fast friends for many years. What a shock to learn of her passing! Although I haven't seen her in a long time, I have wonderful memories of the Eckman family. My mother always called Bonnie her magic skin doll when she was a little girl. She was such a giving and caring person who will be missed by so many. May your memories sustain you through this difficult time.

“ Dear Beth, Mark and Justin, Steve and I were shocked and saddened to get the news of Bonnie's passing. She was truly one of a kind and amazing person. We both feel so honored to have had the privilege to work with her...always professional, a role model and team player. Her dedication to family, church and work knew no bounds and I hope you find comfort in knowing how important she was in so many lives.

“ *Mark, Beth & Justin and Sarah, I was beyond speechless, when I heard of Bonnie's passing, I was sure I heard wrong and had to ask again to be sure. I've known her since I was a little kid when she lived on Ross Street. She was the most selfless, giving person I've ever known. She not only gave when called upon, but she actively pursued giving to anyone in need, regardless if it was big or small. Her entire life was dedicated to serving others just as we are commanded to do. Her passing has left a huge void in our hearts, but more importantly she has left huge legacy for others to follow by her example. not only by what we say, but by what we can do to serve others. You will be missed so much. Love you Bonnie!*

“ *Bonnie has taken wonderful care of us in Fargo ND for decades. She was a joy to work with at any hour of the day. I would say she was our #1 go to person and my all time favorite customer service rep. She got things done and consistently followed through on everything she did for our company. My co-workers and I express our sympathy in your loss. Grateful to have known her.*

“ Dear Mark, Beth and Justin. I am so sorry to hear that Bonnie passed away. She was such a nice person who really cared about helping others. A few months ago, she and I had a conversation about our grandsons. She was so proud of Austin, you could just hear the love in her voice. She loved the Lord and I have no doubt that she is in his presence right now. I know that you will all miss her very much. Love, Ellie Flickinger

She was a great person in a great group of people. I hope that your grief for losing her is tempered by the knowledge that she is now being cared for by God. May God bless each of you.
