Condolences. To the best of my knowledge, you don't know me, and I don't know you. You can think of me as your unknown friend. I got your name from an obituary in Lancaster Online newspaper. My empathy comes by the way of losing my spouse in 2021 after 47 years of marriage and her 20 years long, health decline and her passing at the age of 69 years. I feel your pain. Since then, whenever I see and obituary or hear of a wife passing away my heart goes out to the husband, hence this card. Adam Weaver, Fleetwood, PA 19522
