“ Carol was always the caregiver of our family - the RN in her came out strong! She had a ready smile and sweet laugh for all. She worked tirelessly in her career and put just as much effort into caring for her family and friends. I was honored to assist in her care at the end and will miss her dearly. She is someone I looked up to and valued time shared with her. Love you forever Aunt Carol.

Carol is now at peace with her lord and savior, Herb and her precious dogs. She was one of the most caring souls and nurse. I worked with Carol at Harley Davidson and she was active in the local occupational health organization. She will be dearly missed and I will keep her family in my prayers.
