“ *Let me express my deepest sympathy on the loss of your loved one. The photo of a younger Carole caught my eye when I saw the obituary in the paper. Are you the same John and Carole Kinney that were our neighbors on Valley View Blvd. in Altoona back in the 70's? If so, I remember her as the sweetest person! Blessings to you and your family.*

“ Hi, my name is Ken and I was just reading the obituary for Carole and wanted to share my condolences. It is a very sad time for us whenever we lose a loved one. We want them to be with us always. Thankfully we have family, friends and God's Word the Bible to comfort us. The Bible tells us that It was never God's purpose to put mankind on this earth just to grow old, get sick and die. He purposed for mankind to live forever on a paradise earth without sickness, old age or death. Thankfully God's purpose has not changed. So when Jesus was on the earth he said about himself "I am the resurrection and the life, he that puts faith in me, even though he dies, will live." (John 11:25) He also promised "the hour is coming when all those in the grave will hear his voice and come out." (John 5:28,29) So there is a wonderful hope and future for our deceased loved ones. I hope these few scriptures are of comfort to your family. Sincerely, Kenneth C. Masker. (if you would like to learn more on this topic please visit www.jw.org)
