“ Cathy was a great friend to my family! She always had a positive outlook on life no matter what was going on in her own life whether good or bad! God gave us an Angel on this earth for a while and now she's back home with him in his loving arms at peace again! I praise him for that! We will all miss her dearly but her memory will always be with us. Jere. Katie and family your in our prayers always!

“ *With deepest sympathy to the entire Heisey Family. This is such a tremendous loss to all who knew and loved Cathy. She is such a part of many memories of when Katie and my daughter were growing up together. She was a good friend and always there to lend an ear when it came to the trials and tribulations of the girls. Even with all going on with her health over the past several months, she was still offering me support. Fly high, Cathy. Someday all who love you will be by your side again.*
