

Chester "Chet" V. Kile

June 15, 1928 - August 10, 2020

Chester V. "Chet" Kile, 92, of Mount Joy passed away on August 10, 2020. Born in Lancaster, he was the son of the late Chester S. and Florence (Gerfin) Kile and was preceded in death by his son Frank. Chet is survived by a son, John and his wife Heather. Chet was the husband of the late Ella Louise (Dombach) Kile. Chet was a graduate of McCaskey High School class of 1947 and proudly served in the United States Army. Chet ran marathons well into his 60's and was an avid Orioles fan. Services will be announced at a later date.

“ John and Heather,Just wanted to tell you how sorry I am about your father. I have know him several years. He shopped at the country store in Mt. Joy where I work. I had been off from March 25 until about June 20. I didn't see him after I came back and was worried about him but didn't know where to look for him. We shared many stories as I have a dog jar on the windowsill there and he would always put \$1 in it and call them the children. I had my dogs on the jar but collected for Leos Helping Paws. Every time he was in the store we talked dogs and he would pick the jar up and tell me how much he loved them but he was too old to have them. I invited him over to see them but don't think he was really up to it. He told me about how he liked to run many years ago. A couple times he would run into someone he knew and they would talk about his running. I really will miss your father as I really enjoyed and looked for him to come into the store. I have been there for 15 years and you really get to know people. He used to come in for Ice tea for his friend. Once again, I am so sorry. I love this picture. If you ever want to talk you can call the country store. I work Mon, Wed, and Fri mornings. I would be glad to listen to some stories.
