“ My condolences to the Brandt family on the loss of Connie, Dick, Ruby, Denny, Claudia and extended family. I was saddened upon hearing of Connie's sickness and eventually going to meet her Lord. Connie has left you with many fond memories that will go with you and help sustain you as you go forward in your lives. An observation I have is Connie would emulate her sister Claudia in the things she did, she looked up to her sister and wanted to be "grown up" like her. Another memory I have is Dick would purposely (in love) "bug" Connie to get a reaction from her, Connie's reaction would always be Stop it! Dick would continue with the bugging and Connie would reply... MOM!
Connie was caring & loving and had a sweet soul. Those close to her were recipients of these gifts she had.
My God bless the Brandt family especially during this difficult time.

“*Connie was one of my first campers many years ago when I was a counselor at Camp Hope. She had me going all week about what she was helping her father harvest from their garden. She said "Chuga Peas" and I asked "Sugar Peas?" She said "No, Chuga Peas." We had this conversation each day until Friday. I asked Dad when he came to pick her up what he was harvesting and he said Sugar Peas. Connie tapped me on the arm and said "Gotcha!" To this day she will always be Sugar Peas to me.*

Connie had such a fun spirit. It's been a few years since she attended Camp Hope, but I always think of her when we are planning for the camp. She will be missed.

My prayers are with her family. I pray your memories of Connie will help you through this difficult time.

“*My condolences to all of you. I have many memories of growing up with Connie and of our many family visits. She always wanted to play ball and be out in the yard. I've enjoyed reading the other more recent memories here. She will surely be missed. Sending my love and prayers.*

“ I would like to first say my condolences to the Brandt Family on your loss of Connie. I had the pleasure to work with Connie for the past few years.
All the years in healthcare no one touched my heart like Connie did - Connie loved to have fun & could light up a room.
Connie you meant so much to me, you had the biggest heart & I will never forget you.
Until we meet again! RIP 🙏

“ *The Broken Chair*

We little new that morning that God was going to call your name in life we loved you dearly, in death we do the same it broke our hearts to lose you, you did not go alone, for part of us went with you, the day God called you home you left us peaceful memories your love is still our guide; and though we cannot see you you are always at our side. Our family chain is broken, and nothing seems the same; but as God calls us one by one the chains will link again.

Connie LBrandt: I will hold you in my heart until i can hold you again in heaven love you buddy. Love Rivonne
