

Daniel D. Jury

October 17, 1931 - April 17, 2022

Daniel D. Jury, 90, formerly of Mount Joy, passed away on Sunday, April 17, 2022 at ProMedica Skilled Nursing and Rehabilitation (Lancaster). Born in Lancaster, he was the son of the late Ray and Mollie (Eager) Jury. Dan was the husband of the late Jean (Darrenkamp) Jury who passed away on December 26, 2018.

Dan was a graduate of J.P. McCaskey High School class of 1949. He proudly served in the United States Army during the Korean War. Dan worked at Olmstead Air Force base and later the New Cumberland Army Depot.

Dan is survived by a nephew, Donald McIlvenna, husband of Ruth of Lititz and a niece Patty Zimmerman of Fort Pierce, FL.

A private graveside service will be held in Mount Joy Cemetery.

“ I first met Dan at Camp Stoneman, CA when we were in the Army and being processed to be sent to Korea during the Korean War. When we arrived in Korea we were assigned as replacements to the 840th Engineer Battalion and were together until our discharge from the Army after the war. We enjoyed a very long friendship that lasted 70 years and we had many reunions and happy times. Dan was like a 1920's college professor with his vast knowledge and wisdom and he was a very loyal American. I last spoke to Dan on his birthday. My deepest sympathy to niece Patty, nephew Donald and his wife Ruth.

“ I had the privilege of being Dan's barber for many years and always enjoyed our conversations. He was deeply in love with his wife and loved his country and community. He loved his big, powerful, beautiful Buick. Go with God, Dan! -Jim Gamble

“ Sincerely condolence to the family of Dan Jury. I was involved with the FD in town for 40+ years and active in some borough meetings. Dan was always a fine citizen and for sure a patriot. Always a consummate professional in all ways. I knew him and his wife from coming into the candy store for many years, especially in the mornings for egg and olive sandwiches and coffee. So many fond memories. I admired his letters to the newspapers, keeping us grounded and also identifying issues. He was a fine man! Tremendous community supporter.
