“ So saddened to hear about the loss of my friend. I met Dave while working for Melhorn's catching chickens. We had a lot of good times together. I'll never forget all those trips to Ocean City, hanging out at his house, and All those miles we spent just driving around!! Dave also honored me by being a groomsman in my wedding. Dorie and I still reminisce about the times we spent with you and Kathy. Our lives went in different directions and we lost track when my family moved to NC. Our thoughts and prayers go out to the Beamenderfer Family, and especially to Wendy and Dave. Thanks for all the Great memories Dave, and for that phone call last week, it meant so much to me. Never forget you. ❤️👍

“ I can't even begin to put into words that would describe all that Dave and I along with our family's did together. Our families were raised together. From Myrtle Beach to Mexico to Tioga County. We sure had a lot of fun and great memories. “Just one more wheelbarrow load of stones “. Going to miss you and I probably never told you but I loved you like a brother. Until I see you again in heaven. Rest in peace my friend. Kap and the boys will never need to worry about anything. I got them covered.
