“ David Little was a special veteran who I was privileged to know for many years. He had the capacity for caring for others more than for himself, the intelligence to solve difficult problems with humor and the fight to handle life's pain with grit. I learned from him, watched him suffer with a quiet acceptance that I hope someday to emulate. I am better having known him and hope I can live his example

“ I am deeply saddened to hear of David's death. I wasn't aware he was ill. I remember his visits to my home in North Augusta, Ontario in years gone by. David was doing audits in Carlton Place and would stop here for dinner at some point during his trip. I always enjoyed his support during the 6 years I was on the Board of Directors for ASQ (2002-2008).. He helped me understand some of the ASQ policies and procedures. He was a very knowledgeable fellow! He will be missed by many. With deepest sympathy...Brenda Fisk, Deputy Regional Director, Eastern Ontario and Quebec, 2018
