“ I am most thankful for the experience of working with Del at The Janus School. As a friend and co-worker, Del was always willing to help wherever needed. He shared many talents; however, his artistic talents were often highlighted in the design and creation of sets for the annual school plays. He mentored many students, ever encouraging them to be their best. Sending condolences to his family. Thanks for sharing him with us!

“ Del is one of the people who had the greatest influence in my life. I once told Del that everything I have I owe to him. He is the man who hired me and had to battle to make that hire. Always in your corner, always had your back, always leading by example. I always looked for him at our retiree breakfasts and enjoyed every conversations. A leader, an artist and a guide in life. The heavens will rejoice upon his entrance.

I also worked with Del at Janus for many years and he always was available with a smile, glad to help in whatever way needed, going above and beyond the request, fixing things, working well with students who needed to learn a different way, always patient, with a kind gentle voice and encouraging smile. I know this is a great loss for you Sharon and for your family, your church, your community. He truly let his light shine!

Del had a kind and gentle spirit. He was always a pleasure to work with at TMI. He was knowledgeable and always willing to teach and mentor others. He knew the Lord and the Lord knew him when he was here among us. Now he will be praising the Lord God continually in heaven. God bless you Del as you blessed us.

Del was the eye of calm in the storm of the TMI cleanup. He was wonderful supervisor, who taught many of us younger techs more than just our craft. He showed us what a true Christian looks like.
