“ So very sorry to learn the passing of Don Alleman. He was my neighbor when I was a child growing up in Florin. My dad and him were friends in the fire company/ambulance. He would always tease me and my siblings about things. Rest In Peace Don. Deb sorry for your loss.

“ We are saddened with the passing of Don. We remember his smile, his laugh and the good times working together at the voting poll. He always made sure we had a large bowl of candy for the voters, the children and the poll workers. Our deepest sympathy to Deb and the family.

“ Words cannot express how much Don meant to me and the community. I know we didn't see much of each other for many years but when we did see each other we shared some of the memories from so many years ago. Don was a great man who could get a laugh out of you no matter the situation you were in. He will be missed! My thoughts and prayers go out to Deb and the Alleman family.

“ *Sorry to hear of Don’s passing. I worked with him at Leffler’s and he always could put a smile on the office girls faces with his story. May God rest his soul.*

“ *Don was a kind person and wonderful neighbor. Our family enjoyed living across the street from Don and Deb. Halloween was always fun. Don had special treats for the children. As the girls entered college and we moved to a new home, Don and Deb still found ways to celebrate the girls for their academic accomplishments. He was a special person who helped others through his service. Our thoughts and prayers are with Deb and the family.*

I knew Don and Ron from Hershey. I was in the army and Don and Ron were stationed in San Francisco. I was at Fort Ord near Monterey. They came down to visit but they did it one at a time as they couldn't get time off together. Sorry for your loss Deb.
