“ Romaine and family, My heartfelt sympathies go out to you at the passing of your husband and father. I loved his game room, especially the bear with the removable tongue! He was such a great neighbor and it will be strange not saying "hello" when I come over. Love, hugs and prayers, Wendy Hirst

“ To Don's family, although my only contact with Don was as a summer worker at Howmet while I was in college, I remember Don as a gentleman who had time for a young guy like me to help me in a new situation. I am sure that he is with God looking down on all of us.
