

Dr. Michael B. McKee

April 30, 2024

Dr. Michael B. McKee, 80, passed away on April 30, 2024.

Tribute Wall

PS

“Milo Gael was we dear friend in high school. We dated a lot and were comfortable being good friends. We once traveled by train to visit Carleton, having my to spend the night in a cheap hotel due to our train being rescheduled. Carleton accepted both of us but letter didn't include a scholarship offer. Carelton surely made the right offer. I loved and honored him. Rest in peace, Mike
