“ Don, Todd, Tim, Tommy & Marcia,
I am so sorry to hear of Fay's passing. I have such wonderful memories of her and your entire family from my childhood. All of our 4th of July picnics, and the adventures we would get in to, and just all the fun and laughter! I treasure all those memories and the special times our families had together. My thoughts and prayers go out to you all, and “huge squeezes” (as Fay would always say “gimme a squeeze”) to each and every one of you!!! Her light shined so bright, and her heart was made of gold! May you all find peace in the days ahead! Love to you all!

“ So sorry to hear of Fay's passing. Was a classmate at Donegal as well as a fellow athlete though she was more competitive than me. She had a delightful personality, just a joy to be around. Our daughter and granddaughter share her love of horses. She will be missed by friends and family. We could use more people like her. Our condolences to the family.

“ *My heartfelt sympathy to Don and the family.
I first met Fay when she was a bowling instructor, and I was one of her students.
Later we had served on the Republican Committee, and then we kept our close relationship until the Lord called her for her heavenly rewards.
She was deeply committed to the Lord and her family.*
