“ We at Ella's Place lost a sweet friend. We had a lot of fun laughing with him and Audrey over silly things, like how he liked to put ketchup on his mashed potatoes. He was always lending a helping hand whether holding up our Christmas tree for a half hour while we came up with a solution to keep it stable or helping put together our table decorations. We will miss his great smile and quick wit. We look forward to a day when we continue our fellowship at our heavenly table. Blessings and condolences to Audrey and his family. ❤️

“ I am so sorry to hear of Ernie's passing.. I met Ernie at Calvary Bible Church and after some time he decided it was time to give up the duty of preparing Communion elements for the church family. He had been dutifully carrying out this duty for a number of years and when I agreed to take over the job Ernie taught me all there was to know about it. It was a pleasure working with Ernie. and getting to know better.
