So sorry to hear your Mom has passed. I remember her as being such a sweet lady and always having a smile on her face. Praying God gives you all his "peace that passes all understanding."

Esther was my mom's best friend forever! She was such a special person to our family. After my Mom passed away, I could always count on Esther to remember me on my birthday. She always sent me a card which to me felt like she was taking over for my mom and making sure that I felt remembered and loved on my birthday. She will be dearly missed. We can all rejoice in the fact that she is now reunited with Dick and Mabel & Paul, my parents, in heaven! May peace be with you all.
