“ I had the good fortune of meeting Eugene when he moved into Signature. He graced our table at mealtime and Al, Don, and I all looked at Eugene as part of "our" family. We enjoyed each other's company during those meals and Eugene will certainly be missed. We all hoped that Eugene would make the 100 mark, but we know too he is in good hands now, nonetheless we will miss him.

“ Your families have our sympathy in the loss of your fathers. Eugene and your mother were one of my cousins that I learned to know better because of living in Mount Joy and seeing them at many sporting events. We have fond memories. May you find peace in the memories that you have of your parents. They were a great couple and I know you will miss them.
