“ Had the pleasure of Bud's company for lots of Sunday morning breakfasts at Salunga. Loved his stories of life in the military. The pictures he had in his phone were always fun. Wild life and his horse were usually the topic of pictures in that phone. He was very proud of his family. He will be missed. Thanks for your service in the military, Bud. I will miss you

“ My condolences, thoughts and prayers to Bud's family. My Mom noticed Bud's obituary in Sunday's paper and showed me, while I was visiting last week. The Schrolls were our next door Centerville neighbors, during our pre & high school years, and we had many adventures together, as kids during the fun times of the late 50's. Bud persuaded me to enter the Air Force, a few years after he & Jerry Gish enlisted. I remember his 1st horse, "El Diablo" and his white '53 Ford hardtop, the many neighborhood baseball, touch football & kick the can games behind Centerville Church. Fun Times! The Smythe family offers our sympathy and prayers for strength and comfort through God's grace during this difficult time. I hadn't seen Bud for many years, but the fun memories are precious. Rest in Peace, Buddy! Sincerely, Leon Smythe Hempfield 1963 San Diego, California
