“ Pat and Mike, My sincere condolences. Your Dad and Mom were very important and influential to me in a very special time in my life (adolescence). I know they were special because how many of us (Rick T, Rick H., me) liked to hang out out your place. Pauline was special and I have never forgotten her or those times.....for a 2 or 3 year period in the late 60s she was my "other Mom".....Bill Libhart

“ Always enjoyed my trips to Pennsylvania as a young child. After we would get there we made several trips to the beach with them. Always had fun with my cousins Mike and Pat. She was always a big part of my life. I will miss her very much. Prayers to all the family.
