“ Oh Jeannie, we're stunned! We only learned today, and I haven't been able to shake it off. He was such a big, jovial, strong presence, it's hard to grasp that he's gone. Our prayers and our presence are here for you, I'll let things settle a bit first. Such big hugs to you, and much love to the family. 💔💔

Jeanne, our prayers have been with you on this journey. May you be comforted by our Most High God and Father as you grieve. I am sorry that we will not be able to attend the service tomorrow as we are in Erie attending a celebration service for one of my long time friends that just went home with Jesus.

“ *Frank was a great person to talk to about American history. He was a caring man to his young sisters in law when he joined our family in 1975. I will miss him very much.*
