“Gerry was one of the first smiling faces and most welcoming member of FPMJ from the first day we attended there. You could always count on her and Buzz to do almost anything asked of them and you could count on seeing them at all the events. Terry and I feel that it was a real pleasure knowing them and they were just real sweet down to earth folks. May the Lord bless each member of the family with fond memories.

“ My parents, John and Alta Grosh, were at Pleasant View with Mr. and Mrs. Bowman. The Bowmans were so kind and welcoming to them and remained friends throughout their time there. After learning that my parents had lived in Mt. Joy, Mr. Bowman christened my father, "Mt. Joy" and sang it out every time they met. I am not sure that he actually remembered his real name. Mrs. Bowman was always so sweet and delightful. We loved to see them on their walks which took them by my parents' apartment. It was regular as clockwork. We called it the Bowman parade. I would tease Mrs. Bowman sometimes about her love for the Phillies. She left gatherings because the game was coming on. It seemed surprising that this dainty little lady loved sports. They were a lovely couple whom I admired and treasured.

“ I am saddened by Aunt Gerry's passing. She was the last Bowman of her generation. My sorrow is assuaged by the words of her granddaughter, Kari Nolt. Her tribute to her maternal grandmother brings me comfort. So does my faith that she is indeed hand-in-hand with Uncle Buzz listening to Louis Armstrong.

Dear Deb, Lonnie , and John,

As you know your mom and I worked side by side for eight years at Fulton ES and your mom was one of the kindest and most gentle person the staff and students had the opportunity to know. She cared about all of us, would help whenever needed, greeted us with a smile every morning even after her mile jog/walk before school...Ha! We all loved her and I know you and your families will miss her dearly. Peace...Dave and Rochelle Rentschler
