“ Dear Family of Geraldine Longenecker, I want to express my deepest condolences for the loss of your family member. Death of someone we love has to be one of the most painful things we experience. One thing that has helped me is remembering the promise of our Lord Jesus at John 5:28,29 "all those in the memorial tombs will hear his voice & come out.....to a resurrection". Knowing we will be able to be with our loved ones again can be such a comfort. I pray that you will be comforted by this promise as well.
