“ Grace was one of a few Grandmothers of LCOG that I grew up admiring and smiling with. Although I hadn't seen her in years, any mention of her always brought me joy and a reminder of how lucky I was to have grown up with her in the congregation. My condolences and thoughts are with the family, and my heart is grateful for the time we had to share together.

“ I haven't played Liverpool Rummy since I last played with Dad and Grace. They now have a large table of family and friends to play with and I'm sure lots of stories, laughter and snacks as well. So sorry for your loss as we all need and miss their wisdom and humor. Love and Peace to you all. Love Judi and Bob (Cope) Sterner

“ We are so pleased that our visit with Grace during the last week of August 2019 was timely and pleasant. Although Grace was having good days and poor ones, we found her resting in bed but in bright spirits. She was animated in conversation and humor. She thanked us for visiting her with Rich and Joyce; a good time was had by all. We regret that we will be unable to meet aunts, uncles and cousins in Pennsylvania on Friday. Please know that you will be in our thoughts and especially in our prayers.
