“ My name is Tommy Ferguson. I was Pastor when Greg lived in Tennessee and attended Hickman Baptist Church. I have been thinking about him and Diane lately and wondering how they were doing. I was surprised to see that Greg had already passed.

*I had the opportunity to stay at Greg's dad and mom's home as are family was were traveling through Pennsylvania.*

*God bless the Bickle family.*

“ Greg was more than a neighbor. He seemed like family. Always reaching out, always caring and always helpful. He made us laugh. We love his family too and his values certainly carried forward to them. Greg spread his love far and wide and brought sunshine with him. A wonderful guy. Jane and Dennis Snyder
