“ Many thoughts and prayers to Wilma, Bryan and Tyler in the weeks and months to come. Greg was a very special person serving the fire service in many aspects. An excellent Fire Instructor, Firefighter, Fire Chief a life long friend who I served with for many years. He always held the community first and at the same time never forgot his family and friends. A true professional. The final alarm has been sounded, no more cold late nights followed by long sleepless days. May God speed a life well lived, a job well done a friendship not forgotten.
