“ Butch was a buddy of mine at Department of Corrections Training Academy. We spent many of morning's together making breakfast. The man loved to eat! He was a dedicated employee and had a heart of gold! He will be missed by many! I was in contact with Butch the last few months and he still had a joy of life especially for Jesus Christ. He also adored his wife you could hear it in his voice when he talked about her. He always did even when we worked together he would always have a smile from ear to ear when he talked about her. True love is what I would call it. He also talked about his sons and grandchildren and talked about their visits recently and how much he enjoyed it. I love you Butch your a good soul. God speed my brother!!
