“ Calvin & Dianne, formerly living in Mount Joy, would like to send their condolences & respects to Bill's family. Bill was always a bright spot in our lives. When I, Dianne, became ill with lung & circulatory issues, Bill would tease me in a nice way about when he & I we're gonna have a dance. To both Calvin & myself, Bill was & is a kind & caring friend, & we thank Bill (and his son Zach) for being a caring neighbor & friend. May God bless Bill's family with much love & blessings. We will miss Bill dearly for the rest of our lives.
